Plan Review and Inspection Fee: A fee of fifty (\$50) dollars per installation for the plan review and final inspection must be submitted with this application. The application will be approved or denied within ten working days after the receipt of the permit application and fee. Payment shall be made by check or money order. Cash will not be accepted.

Aboveground Storage Tank Facilities Must Comply with All State and Local Codes.

All installations shall be done in accordance with NFPA 30, NFPA 30A, and/or other applicable codes and amendments. Installation inspection requests shall be made at least 72 hours in advance of the desired installation date to facilitate the inspector's availability. Inspections will be scheduled in the order that requests are received.
